

A risk-based approach to strategic bushfire management

Fire Management Zone Review in the West Central Risk Landscape

We are seeking your input into DELWP's strategic bushfire management planning

Your feedback and questions are important to us. To provide your feedback and/or to ask questions, please complete the following form if you have specific fire management priorities, local knowledge or experiences that you would like us to consider in our review of fire management zones. Otherwise, you can contact us via our email address to arrange a time to talk to our team in person.

Describe the place, asset or things of value you would like to protect and why they are important to you. This could be protection from bushfire or protection from the impacts of fire management works. Please include as much information about the area as possible (e.g. park or forest name, map and reference number, nearest road intersection, if block includes or is contiguous with private land).

(Additional space over the page for comments if required)

A risk-based approach to strategic bushfire management

Please return your comments to:

West Central Bushfire Risk Landscape
Cnr Midland Hwy & Taylor St, Epsom VIC 3351

OR

Email: west.central@delwp.vic.gov.au

Your comments will need to be received by **11 November 2016.**

Our aim is to finalise the Fire Management Zones, taking into consideration your feedback and questions, by the end of December 2016. If you wish, we will keep you informed of our progress and the issues which matter to you and how we will respond to them.

The Strategic Bushfire Management Plans informs the annual Fire Operations Plan, guiding long term bushfire management across the broader landscape. If you would also like to find out more about DELWP’s fire operations plans for your area tick the relevant box when you return your form.
